Situated in a very quiet street is this up-market complex offering biometric control with free laundry and braai facilities on the rooftop. High rental return. Open plan unit with an open balcony. Expensive finishes throughout. Best come and see!

The lovely, sedate neighbourhood of Hatfield has become known as the embassy suburb because of the inclination of embassies to move into the large homes that grace the area, which does in turn give one an indication of their size. Hatfield lies in the heart of Pretoria, just outside the city center between Arcadia and Lynnwood. Hatfield is close to the University, to Loftus Versfeld stadium, and the Hatfield Plaza with its shops and entertainment.
