Secure family home walking distance to schools

Dreaming of a family home that will relieve the daily stress of getting the kids to school on time? Wake up and smell the roses because weather it is WHPS, Anton v Wouw or Waterkloof Primary, the kids will never be late for school again. Where do I sign up for heaven?

Well you purchase a portion of heaven and as a free bonus I'll throw in this large 4 bedroom home with a garden big enough to entertain the busiest of children all day. Located in Safe-Waterkloof with lush big trees, sparkling pool and tranquil surroundings, you will be forgiven if you most days think you are not in the middle of a major city. And did I tell you there is a 1 bedroom flat to ensure Granny can also join in the family fun

If you have read this far I have a feeling this could be the right match for your family.
